

## Angela Mayhew, Instructor

Angela has been twirling on her toes ever since she could remember. After growing up in Fort Worth, Angela joined a music outreach organization, The Young Americans, where she was able to teach and perform in various countries such as Japan, Germany, The Netherlands, The Czech Republic, and Canada. She was honored to be able to learn about so many other cultures and how their children learn, grow, and dance. In 2017, Angela went on to perform for the Walt Disney Company, portraying some of your favorite Disney Characters and dancing on the high seas with Disney Cruise Line. Since moving to Austin in 2020, Angela has been teaching the magic of music and the joy of ballet. She wishes every student will leave her class feeling confident, cared for, and excited about dance!
