"Dahee began her dance journey at the age of 3 at a local dance studio in Philadelphia. Upon moving to Texas she studied under Marina Almayeva before accepting an invitation to Texas Ballet Theater's Professional Training Division for the 2022-2023 season. She has frequently placed at prestigious competitions like YAGP, UBC, and WBAC as well as been extended summer intensive scholarships to companies such as Kansas City Ballet, Joffrey Ballet, and more. She has been teaching dance for the last 3 years all around the DFW and Austin area and finds her role as an educator to be incredibly fulfilling."
